12 DAYS OF THRIVING

Tis' the season to give and gather!
Take action with Set To Thrive this holiday season
and participate in our 12 Days of Thriving!
It's the traditional "12 Days" with a little twist,
incorporating different ways to engage with Set
To Thrive, your community, and your loved ones.

Choose any 12 days in November and December
to get into the spirit of giving with your friends
and family and help us positively impact the
foster youth in our community.

Share your stories with us or on social media.
Tag us in your posts or stories and be entered
into a raffle to win Set To Thrive Swag! We also
may feature you on our social media!
HAVE FUN & HAPPY HOLIDAYS!
